

Jim had freely signed through the mail, until he turned 72 (2001), when he “retired from autographs” and stopped signing altogether. Although he spends November through May in here in Tucson, he escapes the summers for cooler digs in his native Michigan. He will be here at Novaspace around Nov 1.

General McDivitt was chosen in the second astronaut group, and was such a fine pilot of uncommon cool and intelligence, he was chosen as the first rookie commander for the second manned Gemini mission, Gemini 4; the first four day space mission, with a memorable first American spacewalk by Ed White.

McDivitt also flew as commander of Apollo 9, the shakedown cruise of the LM, in Earth orbit for a lunar-landing length 10-day flight. Apollo 9 was largely overlooked and underdocumented because Apollo 8 had already gone to the moon, minus the LM, four months before. Shortly afterward, he became Manager of Lunar Landing Operations, and then Manager of the Apollo Spacecraft Program for all subsequent landings except 17. He retired from NASA and the USAF as Brigadier General in June 1972 at age 43. Never looking back, he became successful in the business world as a consumer power company, Pullman railcar and finally Rockwell aerospace executive. He also serves on many boards of directors.

Just identify the NOVASPACE photo or poster you want signed on the order form, and add it in on the order blank.

## 4. ITEMS TO BE AUTOGRAPHED MUST ACCOMPANY ORDER FORMS

Please don't fax or send order blanks to “hold your place,” and then send one with the actual order. This can get very confusing, with the volume of orders. **YOU MAY BE CHARGED TWICE!**

If you pay by credit card, our bank now requires correct billing zip code, and the CVV number. The CVV (Credit Verification Value) number is the last three digit number from the back of your card, usually in the signing box. (On AMEX cards it's the four numbers printed on the front. **WE MUST HAVE THIS NUMBER AND THE EXPIRATION DATE OR YOUR REQUEST CAN'T BE PROCESSED. Our bank has asked us not to keep info on file for security. Don't ask us to “use the same one”**

## 6. PENS & PLACEMENT

You can send your own pens, but we do this a lot, so we have every kind of sharpie, fine point or regular on hand, as well as silver & gold metallic pens in medium or fine point. If there's a pen you need to specifically match, send it along. **PLEASE** tell us **WHERE** to sign and **WHAT COLOR** pen to use. Jim prefers to use **GREEN** whenever possible.

We have only had a couple of complaints with our custom signing service, out of thousands of satisfied customers. We cannot guarantee your satisfaction with placement, as we are not in complete control here, but we do our utmost to get it right. Remember, items sent directly to some astronauts can get lost, damaged, smeared, or otherwise messed up, and you must accept some risk. Our liability is limited to **\$50 per item** while it's here in the store.

## 11. EIGHT ITEM MAXIMUM

There is an 8 item per person limit on items sent to us for Gen. MvDivitt's autograph. More by permission only. Use a second copy of the order blank if necessary.
